

# Viewing COVID-19 Information in MyHealth

COVID-19 information such as vaccinations and test results can be reviewed in MyHealth by utilizing the following steps.

1. Log in to **MyHealth** ([myhealth.lgh.org](http://myhealth.lgh.org))
2. Click **Health Record**.

3. Click the **COVID-19 Results** menu option.
4. The **COVID Center** will display vaccine information, such as dates and vaccine type received. Additionally, you'll be able to see any of your currently available COVID-19 test results.

# Viewing COVID-19 Information in MyHealth

5. You can print copies of any of this information by pressing the PRINT button and selecting which items you would like to print.

The screenshot shows the MyHealth interface for COVID-19 information. A "Print Options" dialog box is open, asking "Which sections would you like to print for Ambulatory Zztest?". Two options are checked: "COVID-19 Immunizations" and "COVID-19 Laboratory Results". A red arrow points to a "Print" button in the top right corner of the page. The background page shows details for a COVID-19 mRNA (Pfizer) 30 mcg/0.3mL vaccine, including the manufacturer (Pfizer U.S. Pharmaceuticals Group), documented at (LGMC), and lot number (asdfsdf). It also shows the date received (May 3, 2021, 05:44 p.m. CDT) and a section for COVID-19 Laboratory Results, which currently displays "No information recorded".

6. A Vaccine Verification Card with information on your current COVID-19 vaccine status can be printed by clicking on the **View Vaccine Verification** button. This card will display your name, date of birth and current vaccine information.

The screenshot displays a "COVID-19 Vaccine Verification" card. At the top, it says "COVID-19 Vaccine Verification" and has a "View Vaccine Verification" button. Below this is the "COVID-19 Vaccination Record Card" section, which includes the MyHealth logo and a QR code. The card displays the following information:

Name	Date of Birth
1	<b>Pfizer-BioNTech COVID-19 Vaccine, Lot No. EK5730</b> Dec 21, 2020, Lafayette General Med Ctr
2	<b>Pfizer-BioNTech COVID-19 Vaccine, Lot No. EL3246</b> Jan 11, 2021, Lafayette General Med Ctr

Use your mobile device to take a screen shot of each QR code available to you. Keep each screen shot in a secure location for offline viewing.

Print Card

❖ An app or device that can read *SMART* Health Cards is required to scan and decode this QR code. This vaccination record is a *SMART* Health Card and works with any app or service where *SMART* Health Cards are accepted. See [SmartHealth.Cards](#) for more information.

❖ Scanning this QR code with a compatible app or device shares all of the information on your COVID-19 Vaccination Record Card, including patient and vaccine information. Share it with only those you trust.

Learn more about the vaccines and Vaccine Administered (CVX) codes on this vaccination record card at [CDC.gov](#).
